

## CP 322 – ASSIGNMENT 3

### INSTRUCTIONS

Work in a group of no more than ten students. Submit a file to the CR of your respective degree program by **10:00 AM on May 23, 2025**. Name the file in the following format: [date\_groupnumber\_assignemnt3]. For: example [2025-05-23\_group1\_assignemnt3]

**Note: Marks will be deducted for late submissions.**

### TASK

Read the journal article titled '*Algorithms for hierarchical clustering: an overview, II*'

Understand the content, then prepare a PowerPoint presentation summarizing the main concepts of the paper.
